Member Profiles

Sorry to keep bleating on about this, but the response to the request for members' profiles continues to truly underwhelming.

All members are requested to provide a brief profile of themselves for inclusion in the Club's website in the members only section. The profile should be of no more than 200 words and give an outline of your life to date – place of birth, education, career, interests and hobbies etc..

It's not a painful exercise, please see the few examples already on the website if you need inspiration!!

Please submit your profiles by email to richmond.surrey.rotary@gmail.com

NB for a £10 donation to club funds **Robert Dowler** has repeated his offer to draft profiles for members...
